

RIONDO®

Founded in 1999, Cantine Riondo S.p.A. is now part of the COLLIS Veneto Wine Group, a consortium founded by the Cantina di Colognola ai Colli and Cantine dei Colli Berici co-operative wineries.

Collis, with over 7,000 hectares of vineyard extending over the provinces of Verona and Vicenza, represents over 15% of the Veneto wine production and 2% of the entire wine production of Italy.

Our mission is to build market growth for wines produced from grapes grown by more than 3,000 farms associated with the Collis Group.

A company in constant growth, certified by ISO9001:2008 and BRC Global Standards, Cantine Riondo makes use of cutting-edge technology and bottling facilities.

Thanks to our far-reaching commercial policies, since 2006 the company has seen a continuous two-figure growth and the production has reached over 10 million bottles per year.

Our range of wines covers formats from 187 ml. to 1500 ml., plus bag-in-box, in response to the demands of the global market.

Historically, our core business is the production of quality sparkling wines, each a unique expression of terroir: still and sparkling wines, elegant and harmonious, each a masterpiece of perfumes and flavours.

Welcome to Cantine Riondo, where wine is a true passion, and where man's experience, patience and dedication, hard work and satisfaction, blend to offer you moments of genuine pleasure.
