

At Villa Spinosa, wine is also symbol of culture as well as witness and ambassador of the history and traditions of the area.

The strong link to the Valpolicella and the conviction that a place's development and success are the result of cultural advancement, lead to the foundation in 2001 of the "Associazione Culturale Francesca Finato Spinosa" which organises and promotes conventions, seminars and cultural projects in a setting traditionally used for agricultural activities and the production of Valpolicella wines. This means that PalaJago, Fruttaio, Tinaia, Granaio Alto, as well as the courtyards and gardens are regularly transformed into meeting and discussion venues hosting theatre, cinema, photo exhibitions, literary events and musical concerts open to the public.

VILLA SPINOSA

We are in the Valpolicella Classica, at the foot of the Colle Masua hill in Negrar di Valpolicella, in the ancient village of Jago.

The 19th century villa, built on a panoramic position in the heart of the village, is adorned with a romantic Italian style garden, bordered by a courtyard and the estate's vineyards.

The most precious parts of our estate are the Jago, Figari and Costa del Buso cru vineyards. These 20 hectares of land, located at an elevation between 230 and 423m, are planted with Corvina, Corvinone and Rondinella vines to produce only the traditional wines of the Valpolicella. These wines are proposed for tasting and for sale in the "Enoteca in Tinaia", Villa Spinosa's on-site Wine Shop.

The elegant backdrop of Villa Spinosa offers a vast range of spaces that, thanks to their charm and versatility, are ideal to host weddings and business events. These are the spaces where our "Associazione Culturale Francesca Finato Spinosa" promotes cultural activities and projects to enhance the great heritage of our territory.

Agriturismo Corte Spinosa, housed in some of the old farmhouses, is now a comfortable accommodation for tourists looking to unite their passion for wine with the culture and beauty of the Valpolicella area.

We would be pleased to welcome you and let you discover the world of Villa Spinosa, our story and our wines.

AGRITURISMO IN VALPOLICELLA

Agriturismo Corte Spinosa, built in the ancient farmhouses in the village of Jago, is the perfect place to spend a holiday in close contact with nature in the land of the Valpolicella wines, an area rich in history, tradition, aromas and colours.

Corte Spinosa is a welcoming residence, open all year round, with split-level apartments, which are furnished in a sober style and have a fully equipped kitchen with single and double bedrooms.

Guests may wander through the romantic Italian style garden in front of the villa, visit the vineyards and cellars of Villa Spinosa and take part in guided tastings of our wines.

The hillside position, down the Colle Masua hill, offers many chances for trips out by foot or bike

through the many pathways, in an enchanting green landscape of vineyards and olive groves. The city of Verona as well as Lake Garda, Monte Baldo, the Lessinia Mountains, natural spas and amusement parks are close by, thus making Corte Spinosa an ideal point of departure to discover the surrounding area.

The peculiarities of the territory and the character of the indigenous varieties give our wines personality and identity reflecting history, aromas and colours of our valleys.

Faithful to the tradition of the Valpolicella, we produce only the typical wines of the appellation.

VALPOLICELLA CLASSICO DOC the symbol of our territory: an everyday wine, young, simple and fresh. It is a wine full of joy, fine and delicately spicy.

FIGARI, VALPOLICELLA CLASSICO SUPERIORE DOC from grapes grown on the Figari cru vineyard: elegant and uncompromising, with a powerful character and pleasantly spicy notes.

JAGO, VALPOLICELLA RIPASSO CLASSICO SUPERIORE DOC from grapes grown on the Jago cru vineyard: the ripasso technique gives an aromatic and soft structure to the wine along with an elegant bouquet of aromas.

AMARONE DELLA VALPOLICELLA CLASSICO DOCG a young Amarone with aromas of fruit jams. A perfect combination between tradition and present, between easy-drinking quality and intensity.

ALBASINI, AMARONE DELLA VALPOLICELLA CLASSICO DOCG a magical wine that brings together elegance, power, balance and structure. Harmony that satiates the heart and mind.

GUGLIELMI DI JAGO, AMARONE DELLA VALPOLICELLA CLASSICO DOC produced in only the best vintages, this wine is proposed after 10, 15 and 20 years from the harvest with a long aging in barrels.

FRANCESCA FINATO SPINOSA, RECIOTO DELLA VALPOLICELLA CLASSICO DOCG expresses vitality in a culmination of energy, colour and vibrant aromas of sour black cherries and spices.

enoteca in tinaia WINE EXPERIENCE

We propose a fascinating journey into the world of Villa Spinosa, to closely experience the atmosphere of the territory, the hospitality and the connection between man, wine and culture.

GUIDED VISITS: these engaging and evocative tours start with a walk in the Italian style garden, through the aromas of roses and lavender and past the hedges, before strolling through the Jago, Figari and Costa del Buso cru vineyards. We let the guests learn "the stages of the wine making", by visiting the lofts where the grapes are dried, the fermenting and aging cellars, where wine matures in wooden barrels.

TASTINGS: these are experiences embracing the senses, arranged in the "Enoteca in Tinaia", Villa Spinosa's on-site Wine Shop. This is a mosaic made of tradition and authenticity to be discovered by tasting and purchasing the wines in the place in which they were produced.

WINE SHOP "ENOTECA IN TINAI A": housed in the ancient cellars, it welcomes visitors looking to taste and purchase our wines.
